Topic: Spiritual Gifts

Do you know how God has gifted you? Spiritual gifts are special abilities given by the Holy Spirit to believers for the building up of the body of Christ (Ephesians 4:7-13). Spiritual Gifts are listed in Romans chapter 12 and 1 Corinthians 12. I've discovered that many Christians don't know their spiritual gifts. Paul tells us that God doesn't want us to be ignorant pertaining to how God has gifted us.

So how do we discover our giftedness? One way is to take a spiritual gifts inventory test. This test can be obtained at Christian book stores, Amazon, and online. Many churches use spiritual gifts tests to help their members discover their giftedness. Secondly, there are a number of books written about spiritual gifts. One that I recommend is: "Discovering Your God Given Gifts" by Don and Katie Fortune. Finally, probably the best way to discover your giftedness is by seeking confirmation of other believers. When I wanted to know what my gifts were, I asked three of my mentors for the opinions on my gifts. These three godly men didn't know each other. To my amazement they all three said the same thing. In the New Testament Timothy's gifts were confirmed by the church. One more note, pray and ask the Lord to reveal your gifts. There's a joy that comes with using your gifts. In 1 Peter 4:10 Peter instructs us to employ (use) our gifts. Some of gifted with speaking. Some with serving. I'm available if you need assistance in discovering your giftedness.

Sincerely, Pastor Reggie
