AUGUST 2026

Forgiveness is a daily choice to let go of hurt and anger towards others. It helps heal your relationships with family members as well as people outside your home including friends, colleagues, and neighbors.

How to Practice Forgiveness:

- ◆ Acknowledge the pain: Name what went wrong and feel the hurt without hiding it.
- ◆ Choose to let go: Decide on purpose to stop holding the offense against the other person.
- ◆ Release the debt: Stop asking for an apology for the wrong you suffered.
- ◆ Set clear boundaries: Forgive someone in your heart while still keeping safe limits to protect your peace.

Remember what Jesus said: "Forgive others and your Heavenly Father will forgive you, but if you do not, neither will He." (Matthew 6:12-15).

Sincerely, Pastor Reggie
